

Jump for Joy - Individual Food Substitution Form

If you would like your child to eat food other than what is on our monthly menu (which is posted on our web site www.jumpforjoycommunity.com under the **Forms** tab) we ask that you team with us to follow this protocol...

Food Substitution – bring daily to the kitchen refrigerator in a personal lunch bag with your child’s name on all items. (Sometimes a brief note inside is helpful to the kitchen staff as to what should be served when)

Milk Substitution - If you are bringing a milk substitute please provide an original unopened container each week. Once opened, we will can only use for 7 days. *Please remember we cannot have any “nut” types of milk.*

Note: If an update is necessary please see Director on duty to update this form located in the kitchen binder.
